

Are you a photographer who lives in one of our Newcastles?

We invite you to offer up to 6 photographs on the theme of

# A DAY IN THE LIFE OF NEWCASTLE

You don't have to be a professional photographer - it's open to anyone interested in photography, of any skill level. Just point your camera or mobile phone at whatever you think best captures what it's like living in your Newcastle - for example, people at work or at leisure, day or night. Or you could choose your own theme, such as people supporting their community during the Covid-19 lockdown. Or you might choose to follow someone for the day, perhaps a family member or friend (with their agreement!) and send a selection of photos of what their day is like.

It can be new photos that you wish to take, or photos that you have taken in the past.

You just have to live or work in or near one of our "Newcastles".

Send your photos to **newcastlesoftheworld@gmail.com** by **Saturday 21<sup>st</sup> August**. Use that email address for any queries. Everyone who takes part will have at least one of their photos displayed on our website and your entries will also be considered for an exhibition that will take place in September at the main Newcastle upon Tyne City Library.

Newcastle Adult Learning have already started this project with photographers from Newcastle upon Tyne, plus contributors from Shinshiro (Japan) and Newcastle, South Africa.

For examples, see <https://newcastlesoftheworld.com/a-day-in-the-life-of-newcastle-photography-exhibition/>

We want to see more photographers, from more Newcastles, taking part - so get shooting !
